GRAND JUBILEE AT NASHVILLE.

We learn by a private letter from a Nashville friend, that the grand Jubilee at Nashville will be held on the 1st of October. Our Nashville friends have made preparations to entertain all who will be present on that occasion, and the number of delegations which have already consented to attend. We trust that a large delegation of the Shelby county Democrats will make it convenient to attend. We also trust that the whole country will turn up to do their duty and join in celebrating victory in which they were conspicuous and glorious a party. They will be welcome with open arms by the Democrats of Nashville, and will be entertained with hospitality for which our Metropolitan friends are distinguished.

THE OLD LINE DEMOCRAT.

We have received the first number (issued on the 11th inst.) of the "Old Line Democrat," edited by John C. Peck. The editor in his introductory says he will be governed "by the anti-slavery lights and the spirit of the Jeffersonian party." He has given a sketch of the old Republican doctrine of State-right and strict construction, as expounded by Mr. Marcy, in his celebrated Report of the Committee of Fifteen.

The "Old Line Democrat" is understood to be the organ of the anti-slavery or HUMOROUS Democrats, or Old Liners, as they denominate themselves. It is edited with ability, and its style is as handsome as a specimen of type printing.

THE FAIR AND RAILROAD MEETING AT ST. LOUIS.

We hear that a large delegation of our citizens are making preparations to attend the Fair at St. Louis which will be opened on Monday. Among the number will be several prominent and public spirited citizens, who are anxious to speak about the great railroad enterprise which is to unite still more indissolubly the two great cities of the West—St. Louis and Memphis. Who happens for the Memphis delegation the hospitalities of our sister city.

MAYOR OF NASHVILLE.

Hon. John Hook Smith has announced himself as a candidate for Mayor of Nashville in the next election. Mr. Smith is a man who is well known in the community, and he is considered a good man. He is a member of the Democratic party, and he has a large number of friends in the field. The contest is likely to be confined to these two gentlemen, as the Democracy are not disposed to interfere in the race. The Nashville Convention has voted all in favor of Mr. Smith, who is the only one who has done so.

THE COTTON PROSPECT.

Col. Ed. Sweeny, who has been traveling for the past three months in the cotton growing regions of West Tennessee, North Alabama and North Mississippi, has just returned home, and he has informed us of his observations, and the opinion of many of the most practicable planters, that the crop having been materially injured by the recent rains, the low water, and rain, in increasing the cost of labor, will not yield the crop from thirty to fifty per cent, below estimates made some six or eight weeks since. The top crop also promises badly, the bottom equaling with former years, and the middle crop, which was very good, is now bad.

Col. S. D. Thompson, who has been traveling from point to point, has reported the crop from forty to fifty per cent, below estimates made some six or eight weeks since.

The Democratic party is the great Catholic party. By its doctrines it does not accept any thing, and it is the only party that can be called a national party. It is the only party that can be called a national party.

THE CURRENCY QUESTION.

THE CURSE AND CONSPIREY OF BANKING.

Col. Patay took occasion to place on record his views as to the correct system of banking. They were published in the American Journal of Law, and we have the pleasure to repeat them, as follows:

At that time, as we believe, they embodied the views of the Democracy generally, or at least a large portion of the party.
